

PERMITTING CELL PHONE USE DURING A FLIGHT BETWEEN TAKE OFF AND LANDING IS DANGEROUS AND WILL CAUSE TENSIONS TO RISE BETWEEN PASSENGERS FOR EXAMPLE IF ONE IS TRYING TO SLEEP AND ANOTHER IS TALKING LOUD ON THEIR CELL PHONE. THIS IS A RECIPE FOR DISASTER CAUSING AIR RAGE AND VIOLENCE IN THE CABIN. ALSO, IT COULD BE A TOOL FOR TERRORISTS. THIS IS UNECCESARY, COULD WREAK HAVOC AT 30,000 FT.
